

CPI™ Certification Program [CPI 260® & CPI™ 434]

Public Program:
16-17 August 2012

In-House Programs:
By Arrangement

About CPI™

This program is designed to train and accredit people to administer and interpret the CPI™ and its shorter version, CPI 260®. CPI™ is a restricted instrument requiring training and accreditation for purchase.

Copyright © 2007 Hemisphere Consulting. All rights reserved.

These instruments are validated for recruitment and selection, assessment centers, personal/leadership development and coaching activities. They are well researched, mature and recently revised instruments with a wealth of statistics to substantiate their reliability and validity. They provide accurate and complex portraits of a person's professional and personal behaviour and therefore have a particular value for use in recruitment, assessment centers and development/coaching programs.

Who Should Attend?

Human Resource professionals, psychologists and consultants involved in recruitment & selection, assessment centers, leadership training, personal development and coaching.

The Training & Certification Program

- Philosophy, constructions and development of each instrument
- An understanding of the scales and their meaning
- Classic profiles for various job positions
- Sample sizes, reliability and validity
- Administration, scoring, interpretation and feedback

Pre-Program Preparation/Qualification

- Participants need to have accreditation/certification in at least one other major personality instrument [such as the MBTI®] and/or have completed an internationally recognized abilities/occupational testing accreditation program such as APP's Abilities Tests Accreditation Program or the equivalent [e.g. BPS or other Psychological institute's certificate of Competence in Occupational Testing.]
- Participants will take a CPI on-line administration and have it scored before the program. They will also be provided with the comprehensive CPI™ Manual for pre-reading.

What You Receive With Enrolment

- Your own CPI Report
- *Users Guide to the Client Feedback Report*
- *A Practical Guide to CPI™ Interpretation*
- Handouts, sample reports and supporting materials

What You Will Get Out of This Program

- A clear understanding of the construction and scales of the various tests
- Proficiency in administering, interpreting and feeding back results from the tests
- An understanding of how to apply personality test results in selecting staff and developing leadership and management skills
- A certificate confirming your accreditation to purchase and use these restricted tests

Course Leader – Dr. Martin Boulton

Martin holds a Doctorate in Psychology from the University of Melbourne, Australia. He is a registered psychologist who has worked in a range of clinical and organizational settings over the past ten years. He has extensive experience in providing psychological assessment, leadership development, change management and organizational consulting with a wide range of leading public and private organizations. Martin conducts in-house and public training and certification programs in CPI™, MBTI®, FIRO-B®, BarOn EQ™ and a number of other restricted psychometric instruments. He is the Divisional Director, Professional Services and International Training of CPP Asia Pacific.
